Luther Jones Stricken By Heart Attack

Funeral services will be held this (Friday) afternoon at four o'clock for Luther W. Jones, publisher of the Belle Glade Herald, at the First Baptist Church in Belle Glade with the pastor, Rev. C. H. Eiland officiating. Interment will be at Foreverglades Mausoleum on Airport Road at Belle Glade. Williams Funeral home will direct the funeral.

At three o'clock Tuesday afternoon Mr. Jones said he wasn't feeling too good and went into his private office at the newspaper plant to rest a few minutes. It was there that he was stricken with the fatal heart attack. He was rushed to Glades General hospital but was pronounced dead upon arrival.

The veteran editor suffered a heart attack about two years ago and was several weeks in recovering to the point where he could go back to work in his office. About a month ago he suffered another heart flareup but remained in the hospital for only a short period before getting back on the job. Tuesday's attack was swift and fatal.

At the time of his death Mr. Jones was chairman of Selective Service Board No. 148. He had been active in civic and fraternal work in the Glades since arriving here with his wife 35 years ago. He had been an active member of the Chamber of Commerce and president of Rotary. He also is a past commander of the Belle Glade Legion Post.

Besides his wife and son, Luther W. Jones, Jr., he has two brothers, Leslie of Belle Glade and J. B. Jones of North Palm Beach.

Uncle Sam Is Director Ag Work

TAMPA, (FNS) Uncle Sam has become "the managing director for all agricultural enterprises," J. Abney Cox, who heads H. L. Cox & Sons in Princeton, Fla., told Tampa Rotary Club members recently.

Cox, a leading Florida farmer and director of the Florida Fruit & Vegetable Association, said farmers have believed "for some time" that U. S. Labor Secretary W. Willard Wirtz was committed to a concept of removing all supplemental foreign labor used in the harvest of crops in the United States.

Cox explained the secretary of labor was warned that cutting off the supply of labor would raise the cost of food. This past season a very small amount of imported labor was certified much too late to help bring in the harvest, resulting in major losses of food and increased farm prices.

This action resulted, according to Cox, in a net increase in the cost of living index every month since last December.

Mrs. Edith Tillis and family left this weekend to visit relatives in Nashville, Tennessee.

HOME FROM GERMANY

Sgt. and Mrs. John Gandy and son, Pee-wee, arrived in Miami early Monday morning after having been stationed in Germany for the past 3½ years. They will be the guests of her parents, Mr. and Mrs. Cecil Clark in Pelican Lake, prior to his being stationed at Randolph AFB in San Antonio, Texas.

June 20 Date Lions Officers To Take Over

The Canal Point Lions Club met on Monday night at the Community Building and made plans for the Ladies Night and installation of officers which will be held on June 20. James W. Repper will be installed as the new president.

Charles E. Leonard, manager of the Southern Bell Telephone office in Belle Glade, is to be the guest at the meeting and will install and demonstrate the DDD—Direct Distance Dialing—at the meeting and the public is cordially invited to attend. The program is planned to begin at 8:30 and everyone is urged to arrive.

It is reported that the street light fund is still \$150.00 short of the goal. Anyone who is a resident of Canal Point and hasn't donated to the street light fund is urged to do so by the members of the club.

U of F Coach Will Visit Glades Tuesday

Coach Ray E. Graves of the University of Florida will visit the Glades on Tuesday, June 14. As Mr. Graves is an ardent fresh water fisherman, plans call for him to get a chance on famous Lake Okeechobee.

Tuesday night there will be a barbecue dinner served at the Pahokee, Elks Lodge, after which Coach Graves will have charge of the program. The public is invited. A charge of \$2.00 per plate will be made for the barbecue, which will include plenty of corn on the cob and all the trimmings.

Rev. Smvly Honored At Dutch Treat

Rev. C. J. Smyly, Training Union Director of the Florida Baptist Convention and a former pastor of the Canal Point Baptist Church, was honored at a Dutch treat dinner at Selma's on Saturday night at 7:00 p.m.

Those in attendance to help with the celebration were Mr. and Mrs. Charles Brown, Rev. and Mrs. Lawrence Stewart, Mrs. John Stewart, J. G. Weeks, Mr. and Mrs. Charles Maxson, Mrs. Paul Rardin, Mr. and Mrs. R. T. Smith, Mr. and Mrs. Cecil Clark and Mr. and Mrs. Russell Maxson.

Weekley Co. To Retread Old B. G. Road

Weekley Asphalt Company of Hallandale was the successful bidder on retreading 13.9 miles of US 441 (Old Belle Glade Road) from Canal Point through Pahokee to the bridge in Belle Glade.

The Weekley price on the job was \$214,402.00 according to advances coming out of Tallahassee. It is thought that work of retreading will be started within the next few weeks.

R. L. Pape Quits ASC Position

Richard L. Pape, for 2½ years office manager of the Glades-Hendry County Agricultural Stabilization and Conservation service with offices in Moore Haven, has tendered his resignation and will return to Clewiston High School as vocational agriculture instructor.

The 39-year-old University of Florida graduate served in the Hendry County school system for 12 years before taking over the ASCS office.

Applications for the ASCS post are being accepted at the Moore Haven office until June 13, Pape said.

Starting salary for the job is \$7,479. The top pay is listed at \$9,765, depending on longevity.

Lions Plan For Barbecue On July 4th

The Pahokee Lions Club met on Tuesday at the Lions Club building and discussed and made plans for the annual barbecue which is put on in connection with the Fourth of July fireworks activities. The barbecue will be served from 11:00 a.m. till 5:00 p.m. on the Boy Scout beach and at the Liens Club building. The cost of the dinner is \$1.25 per person and the soft drink is extra. Advance tickets may be purchased from any Lion member. The dinner will consist of barbecued chicken, corn on the cob, baked beans and cole slaw.

Bob Adams, president of the Clewiston Lions Club, was the only guest at the Tuesday meeting.

It was reported that the first vice president-elect, Charles E. Lewis, has resigned because he is moving to Jacksonville. The nominating committee will nominate another member to take his place at the next meeting and the new first vice president will be installed with the other newly elected officers on June 28. O. A. "Jack" Jones of Deerfield Beach, newly elected district governor of District 35-D, will be the installing officer.

ST. PETE VISITORS

Mr. and Mrs. Dorsey Thompson and son, Allan, returned to their home in St. Petersburg, accompanied by her sister, Miss Lillian Sims, after being the guests of their parents, Mr. and Mrs. A. M. Sims in Canal Point and Mr. and Mrs. Ray Thompson in Pahokee, during the past weekend.

Campanile To Take Over Ford Place

Next Monday will bring new management to the Ford place in Pahokee when the Pahokee Motor Company relinquishes its ownership to a new concern to be known as Frank Campanile Ford, Inc.

B. Elliott opened the Ford dealership in 1922 and the dealership was sold by the family to L. A. Raulerson of Jacksonville in 1955. They have operated it since that time.

The new owner is Frank J. Campanile of Miami. He said that Glynn C. Bennett will remain as sales manager of the concern but no other changes are anticipated with the exception of the Pahokee Motor Company manager, Charles E. Lewis, going to the MacVay Motor Company in Jacksonville.

A native of Asbury Park, N. J., Campanile said he plans to move his wife, Marilyn, and their three children—Frank III, 13; Lynn, 9, and Tina, 3, here as soon as he is able to locate a home.

We'll Have Some Corn 'Til July 4th

Sweet corn is still moving from the Lake Okeechobee Region and the price is hovering around the \$1.50 per crate mark. Heavy movements have ceased in the area and trucks and railroad cars, which were in great demand a few days ago, are plentiful now.

Several of the large growers have plenty of corn this week while others are completely finished for the season. With favorable weather conditions there will be a smattering of sweet corn in this area through the Fourth of July.

Local Men Named To High Elks Office

At the State Elks convention held in Clearwater on May 20 J. W. Vain of Pahokee was elected president of the state-wide organization. He has been active in civic club and Elks work since his arrival in the Glades nearly 20 years ago.

One of his first acts after being elected to the high Elks office was to appoint Robert O. Lampi of Pahokee as state organizer for the organization. Leon "Cracker" Spooner was elected state tiler at the Clearwater meeting.

"Open House" At Pastorium Enjoyed Sunday

"Open House" services were held at the recently constructed Canal Point Baptist church pastorium from 2:30 p.m. until 4:30 p.m. Sunday. The program was under the direction of the pastor, Rev. Lawrence Stewart. Many members and friends of the church were in attendance and the "Open House" was pronounced a complete success by officials of the church.

The program, starting at 2:30 p.m., was comprised of the following: A hymn by those in attendance. A prayer by G. T. Echols, co-chairman of the new pastorium committee, was followed by words of Congratulatory by Rev. Edward Norton, pastor of the Canal Point Methodist church.

Next came presentation of the keys to the handsome new edifice by the builder, Harold Zumpf to Grady Echols and J. L. McCall, co-chairmen of the pastorium committee. A short address by Rev. Guthrie Colvard, pastor of the Pahokee First Baptist Church, was followed by a solo by Miss Ruth Colvard. Miss Colvard sang "Bless This House."

Prayer was offered for those who shall dwell in the new building by Rev. C. H. Eiland, pastor of the Belle Glade First Baptist Church. The feature address was by a former pastor of the church, Rev. C. J. Smyly, who noted that it was 16 years to the day since he preached his first sermon in the Canal Point church. Hanging of the Roll of Remembrance was followed by the benediction by J. L. McCall.

\$32,500 Income Franchise For Garbage

Members of the City Council of Pahokee have leased local garbage collection to South Florida Sanitation Company of Belle Glade, for an annual fee of \$32,500.00. The deal was consummated on a five-year plan.

The new organization will take over collection of garbage in Pahokee on June 15, it was announced at the council meeting Monday night.

Last September the same firm offered the City of Pahokee \$25,000.00 for the same contract but raised its figure \$7,500.00 for the offer on Monday night of this week.

Summer School For Glades Area

The Palm Beach County school system is offering for the first time in the Glades area a summer school for all students who wish to either strengthen themselves in courses that they will be taking in the future or for credit in courses they may have failed.

The Summer School is locally financed and locally operated. In Palm Beach County only junior and senior high schools are involved in summer school. Credit is given for courses successfully completed for new subjects or for subjects failed during the regular school term. Completed (passed) courses are recorded on a student's permanent record and become a part of his recorded school program.

Palm Beach County Summer

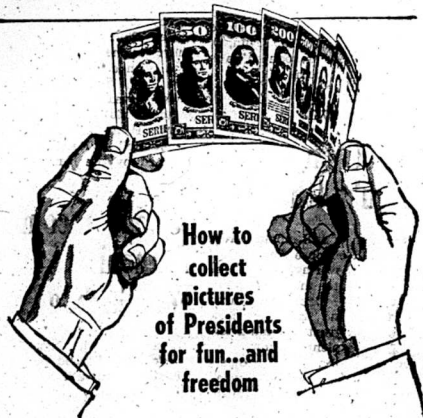

School is an extension of the regular school program offering educational opportunities for students as follows:

1. To take new work.
2. To reinforce a subject area where there is a weakness.
3. To repeat a failed course.

For example, a student may find the regular school year so crowded that he is unable to take some desired subjects. The student can get these courses or required courses in summer school. A student may pass a subject but feel that a review of the course would be desirable before he goes on to the next level. Finally, it would enable students to make up failed courses.

The summer school for the Glades area will be at Pahokee Junior-Senior High School. All students throughout the Glades area who wish to attend may register June 13, between the hours of 8:30 a.m. and 1:30 p.m. Because this is locally financed there will be a \$36.00 fee for all participants.

A message from the Treasury of a free people

Each of the seven denominations of Series E Savings Bonds shows a different President of the United States. If you're interested in this kind of art, the seven make a nice collection.

Along with the hobby, Savings Bonds offer such extras as riskless investing, 3 1/2% more money at maturity, and financial freedom for your future.

But there are other kinds of freedom tied in with your purchase of Savings Bonds. Freedom to speak your piece, choose your job, and own your property, to name a few. Every Bond you buy helps our government further the cause of freedom everywhere in the world today.

Why not start collecting U. S. Savings Bonds now? Only \$18.75 each for the George Washington variety, at your bank or on Payroll Savings where you work.

Seminar Will Discuss Shoplifting

All merchants, bank employees and other interested folks in the Glades are invited to a public seminar on Tuesday, June 28, at 10:00 o'clock at which time members of the Florida Sheriff's Bureau will discuss bad checks and shoplifting. The meeting will be held in the Glades Office Building.

The meeting is to be one of four scheduled for Palm Beach County and it is hoped that a large crowd of merchants will be in attendance. Assistant County Solicitor E. J. Comiskey will take part in the discussion.

Capt. Thomas Nunn will represent Sheriff Martin M. Kellenberger at the seminar which will possibly last about 90 minutes, Comiskey said.

Pesticides Sales Are On Increase

GAINESVILLE—Production and sales of pesticides and other organic and agricultural chemicals in the United States increased by twelve per cent last year. DDT continues to be the leading pesticide.

According to Jim Brogdon, entomologist with the Florida Agricultural Extension Service, U. S. production of pesticides and other organic agricultural chemicals in 1965 amounted to \$77 million pounds—about 12 per cent more than the 783 million pounds reported for 1964. Sales in 1965 were 763 million pounds, valued at \$497 million, compared with 692 million pounds, valued at \$427 million, in 1964. The data, released recently by the U. S. Tariff Commission, are classified according to the

principal uses of pesticides—fungicides, herbicides, insecticides, rodenticides, soil conditioners, and soil fumigants.

Of all the insecticides produced in the U. S. last year, DDT was produced in the greatest quantity as it has been since its introduction in 1944. The output of this product amounted to 141 million pounds in 1965.

"The success of the promotion has been so marked, in fact, that we have received numerous requests to continue the promotion through August."

Gardner said 500,000 additional tourist directories would be ready for distribution by June 1 by Florida Development Commission. Welcome stations, resort areas and Florida airlines. Methodists Hold June WSCS Meeting

The June meeting of the Woman's Society of Christian Service of the Pahokee First Methodist Church was held in the church chapel Monday night with the new president, Mrs. Robert C. Hatton, presiding.

Mrs. John Hatton gave the opening devotionals, "Power of God's Love," and the call to prayer.

The president, Mrs. Hatton, was joined by Mrs. Tevis Hugely and Mrs. Jean Heath of Belle Glade in the presentation of a skit reviewing activities at the recent annual state WSCS Conference in Sarasota. The conference theme was "Serving Thee, Whom We Adore" and the conference hymn, "God of Grace, God of Glory."

At the business session it was voted that the Pahokee WSCS be hostess to District officers at a training course to be held at Pahokee May 18, 1967.

It was announced the second benefit luncheon, sponsored by the Vena Mae Schroder Circle, will be held at the home of Mrs. Lewis Collins on Flag Day, June 14. This luncheon is open to the public, with reservations to be made through Mrs. Thor Hatton.

Announcement was also made of the School of Missions to be held at Florida Southern College, Lakeland, July 22-24 and July 25-29. All Methodist women, 17 years and older, are eligible to attend the School of Missions. President Hatton urged that as many Pahokee WSCS members as possible attend this school. Those who plan to go are to contact her for arrangements.

It was voted that the annual Pahokee WSCS pledge service in the future will be the program at May meetings, and the annual membership reception is to be held

at a time other than the monthly meeting date in May.

Plans were made to give the pastor, Rev. John A. Briley, and his family a "pounding" as a welcoming gesture in celebration of their return for another year of association and leadership in the church, June 12. Circle chairmen

were asked to notify all members of their circles of this coming event.

The Gertrude Shirley and Miriam Circles tied for the monthly attendance pin award.

Mrs. Clarence Kidder, Mrs. Hugely and Mrs. Heath, all of Belle Glade, were visitors.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate.

Ask about buying Bonds where you work, or bank. For America's future. And yours.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front line of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

Weight Control Ideas Are Listed Here

Are you in shape to look your best in your new spring clothes?

If you think you need to trim down, try perseverance and will power to help control your weight. Some physical exercise or work every day will help you acquire a slimmer, more youthful figure.

Unless you are under the direct and regular guidance of a physician, it is not wise to attempt to lose more than 1 to 1½ pounds a week, nutritionists with the Florida Agricultural Extension Service advise. From 500 to 700 calories less than the amount needed to maintain your weight should bring about 1 to 1½ pound weekly loss.

The important difference in a sensible reducing diet and a normal diet is simply this: the reducing diet has fewer calories. Extension nutritionists say.

A sound basic reducing diet of about 1,200 to 1,400 calories should include each day 2 cups of skim milk, 4 generous servings of vegetables (not including corn, potatoes or dried beans), and fresh or unsweetened fruit, 2 medium servings of lean meat or fish, or cottage cheese or egg, 3 slices of bread (or cereal), with 2 teaspoons butter.

The Pelhams will also visit his aunt and uncle, Mr. and Mrs. June Trawick, in Panama City while on their vacation.

MIAMI VISITORS

with weight control:

Avoid frying. Instead broil, boil, or bake.

Eat salads without dressing. Select foods without sauces.

Beware of rich desserts and gravy.

Choose lean meats. Trim off all fat along the edges.

Stop eating while you're still a little hungry. Remember, an extra 100 calories each day will add up to 10 pounds a year.

And, don't nibble between meals.

Now— U. S. Savings Bonds Pay More Interest

4.15% when held to maturity

*Higher interest on the
Bonds you already own, too!*

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate. Ask about buying Bonds where you work or bank. For America's future. And yours.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

Norton and Briley Are Returned

Methodist congregations in Canal Point and Pahokee were fortunate and happy over actions of the annual conference held in Lakeland last week. Their joy was brought about by the fact that their ministers were reassigned to their respective churches for another year.

Rev. John Briley, pastor of the Pahokee Methodist church and Edward Norton, pastor of the Canal Point Methodist church, were both retained in their present positions. During the week since their return from the Lakeland conference, both pastors have been receiving congratulations from members of the churches.

Vacation Bible School Canal Point

The Vacation Bible School at the Canal Point Methodist Church has had an average attendance of 47 children each day. There are ten adult leaders and six intermediaries who help with the younger departments.

The junior girls have made small items to send to George Jackson and Bobby Parker who are both from Canal Point and are stationed in Viet Nam. The first and second grade primary department have made gifts to give to the children in the hospital to entertain them while in the hospital. Mrs. Don Kepp has been in charge of making arrangements for the refreshments to be served each day.

The Miriam Circle of the First Methodist Church of Pahokee will meet at the home of Mrs. Bruce Bowe, president, on Monday night.

The Gertrude Shirley Circle will meet at the home of Mrs. John Briley on Monday, June 13. Mrs. Lloyd Hundley, newly elected chairman, will preside.

Why should you buy
 U. S. Savings Bonds when there are
 so many other good investments?

To help your country is one answer—and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
